INTERNATIONAL ENGINEERING PROGRAM **in collaboration with USA Universities, M.S. In 5th Year**

- » Computer Science and Engineering (CSE)
- » Electronics and Communication Engineering (ECE)

Under Graduate Programs in Engineering & Technology - Duration 4 Years

- » B.Tech. - Computer Science and Engineering (CSE)
- » B.Tech. - CSE – Artificial Intelligence and Machine Learning
- » B.Tech. - CSE – Cyber Security
- » B.Tech. - CSE – Business Systems
- » B.Tech. - CSE – Data Science
- » B.Tech. - CSE – Big Data Analytics
- » B.Tech. - CSE – Cloud Engineering and DevOps Automation
- » B.Tech. - CSE – Full Stack Development
- » B.Tech. - Artificial Intelligence
(Summer school in top 500 universities in world)
- » B.Tech. - Bio Technology
- » B.Tech. - Electronics and Communication Engineering (ECE)
- » B.Tech. - ECE - Artificial Intelligence and Machine Learning - (AI&ML)
- » B.Tech. - ECE - Internet of Things (IOT)
- » B.Tech. - ECE – VLSI Design
- » B.Tech. - Electrical and Electronics Engineering (EEE)
- » B.Tech. - Mechanical Engineering (ME)
- » B.Tech. - Civil Engineering (CE)

Under Graduate Programs in B.Sc. (Hons.) Agriculture - Duration 4 Years

- » B.Sc. (Hons.) – Agriculture

Under Graduate Programs in Business Management, Commerce & Sciences Courses - Duration 3 Years

- » Bachelor of Business Administration (BBA)
- » BBA – Logistics and Supply Chain Management
- » BBA – Data Science
- » BBA – Business Analytics
- » BBA - Banking and Insurance
- » BBA – Innovation Entrepreneurship and Venture Development
- » BBA – Artificial Intelligence

- » B.Sc. - Fitness & Athletic Conditioning
- » B. Sc.-Aviation
- » B.Sc.-Animation & Multimedia
- » B.Sc.-Animation & Gaming
- » B.Sc.-Visual Communication
- » B.Sc.–Bio-Technology, Microbiology, Chemistry,
- » B.Sc. - Bio Technology, Bio Chemistry, Computer Science
- » B.Sc. - Bio Informatics, Bio Chemistry, Bio Technology

Under Graduate (Hons.) Programs in Business Management & Sciences Courses

Duration 4 Years

- » BBA (Hons.) – Bachelor of Business Administration
- » B.Sc. (Hons.) - Mathematics and Computer Science
- » B.Sc. (Hons.) - Statistics and Computer Science
- » B.Sc. (Hons.) - Artificial Intelligence
- » B.Sc. (Hons.) - Data Science
- » B.Sc. (Hons.) - Computer Science

Under Graduate Programs in Computer Applications

Duration 3 Years

- » Bachelor of Computer Applications (BCA)
- » BCA - Artificial Intelligence & Machine Learning
- » BCA - Data Science
- » BCA - Cloud Computing
- » BCA - Full Stack Development
- » BCA - Computer Hardware, Networking & Cyber Security

Under Graduate Programs in Allied Health Sciences

Duration 3 Years

- » B.Sc. –Nutrition, Dietetics & Food Science
- » B.Sc.- Forensic Science
- » B.Sc.- Digital Forensics & Cyber Security
- » B.Sc.-Food Technology, & Quality Control
- » B.Sc.-Medical lab Technology

Under Graduate (Hons.) Programs in Allied Health Sciences - Duration 4 Years

- » BPT (Hons.) - Bachelor of Physiotherapy (Duration 4 ½ Years)
- » B.Sc. (Hons.) – Medical Biotechnology
- » B.Sc. (Hons.) – Bachelor of Optometry (B. Optometry)
- » B.Sc. (Hons.) – Radiology and Imaging Technology
- » B.Sc. (Hons.) – Emergency Medicine and Critical Care Technology
- » B.Sc. (Hons.) – Anaesthesia & Operation Theatre Technology
- » B.Sc. (Hons.) – Cardiovascular & Cardiac Care Technology
- » B.Sc. (Hons.) – Cardio Perfusion Technology
- » B.Sc. (Hons.) – Physician Assistant
- » B.Sc. (Hons.) – Dialysis Technology
- » B.Sc. (Hons.) – Respiratory Therapy

Post Graduate Programs in Engineering & Technology - Duration 2 Years

- » M.Tech. CSE – Computer Science and Engineering
- » M.Tech. Artificial Intelligence and Machine Learning
- » M.Tech. Data Science
- » M.Tech. VLSI
- » M.Tech. Internet of Things (IOT)
- » M.Tech. Power Electronics (PE)
- » M.Tech. Advanced Manufacturing Systems (AMS)
- » M.Tech. Construction Technology and Management (CTM)
- » M.Tech. Embedded Systems
- » M.Tech. Electronic Design Technology

Post Graduate Programs in M.Sc. Agriculture **Duration 2 Years**

- » M.Sc. - Agronomy
- » M.Sc. - Genetics and Plant Breeding
- » M.Sc. - Entomology
- » M.Sc. - Soil Science and Agricultural Chemistry
- » M.Sc. - Plant Pathology
- » M.Sc. - Horticulture

Post Graduate Programs in Computer Applications Courses, Business Management, Commerce & Sciences - Duration 2 Years

- » Master of Computer Applications (MCA)
- » Master of Business Administration (MBA)
- » MBA – Aviation Management
- » MBA - Innovation Entrepreneurship and Venture Development (IEV)
